Reprints and Permissions

Reprints
How do I obtain reprints? Kristin Hubing, editorial associate, can provide a cost estimate for reprints of an article in the magazine, either in full color or black and white. The minimum quantity is 25 copies. A regular schedule takes 2-3 weeks. Rush orders take 7-10 days.

Please write a brief note spelling out the quantity, whether you wish pricing on black and white and/or color, shipping instructions and whether you are trying to meet a time-critical deadline (i.e., workshop handouts). Send that information by fax (703-841-1543) or e-mail (khubing@aasa.org) to Kristin Hubing. For questions, call 703-875-0772.

Permissions
How do I obtain copyright permission for an article? School Administrator retains copyright on nearly all articles that we publish. We limit copyright permission to two articles (or fewer) from any one issue.

Please explain briefly how you plan to use the article(s), how many copies you plan to make and whether you will be charging for them. Be sure to provide the name of the publication, month and year of the magazine and the title and author of the article(s) requested. Please allow a week’s response time.

You may contact the magazine by e-mail, fax or mail:
