Welcome to Sourcewell

June 6, 2018
Sourcewell goes live on June 6, 2018.

We are eager to unveil Sourcewell to the world, but would appreciate your discretion in not sharing the new brand until our full launch. For access to logos and/or other resources in advance, please visit MeetSourcewell.com. As always, please reach out to your contract administrator if you have questions.
This is an exciting time for all of us!

Our organization is buzzing as we inch closer to launching our new brand under our new name—Sourcewell. We are even more excited about what this means outside our walls for you and our members.

By combining a new brand with a new customer relationship management system, a revamped website, and a more robust member support team, we are intentionally building deeper relationships with members and making it easier for them to find our vendors and your solutions.

Thanks for joining us on this journey as we blaze new trails in the cooperative purchasing marketplace, and ultimately foster more community and student success throughout North America.

Chad Coauette,  
Executive Director
Welcome to our future.

Sourcewell’s cooperative contract purchasing leverages the national purchasing power of more than 50,000 member agencies while also streamlining the required purchasing process. As a municipal national contracting agency, Sourcewell establishes and provides nationally leveraged and competitively solicited purchasing contracts under the guidance of the Uniform Municipal Contracting Law. Joint Powers laws enable members to legally purchase through our awarded contracts.

National Joint Powers Alliance will formally be known as Sourcewell.

National Joint Powers Alliance (NJPA) will formally be known as Sourcewell starting June 6, 2018.

The NJPA board of directors voted unanimously to change the organization’s name to Sourcewell. Documentation has been formally submitted and Sourcewell will be registered and trademarked both federally and in Minnesota with the appropriate agencies. As of June 6, 2018, NJPA will begin operating under the name Sourcewell.

NJPA has worked intentionally to mitigate the implications of this change to current and potential members, currently awarded vendors and existing partners. Following June 6, Sourcewell will maintain and continue to recognize the National Joint Powers Alliance name. **Any membership agreements, contracts and agreements entered into with the National Joint Powers Alliance name will remain valid and continue in effect without impact.** This will ensure contractual continuity and safeguard any disruptions to engagement with Sourcewell or NJPA. This includes membership, use of cooperative purchasing contracts, or other binding contractual engagements.

While not required, members may wish to update their agreements to clarify the relationship between the two entities. On June 6, updated membership agreements may be found online. For membership inquiries, please contact our membership team at membership@njpacoop.org or (877) 585-9706.

Likewise, vendors may wish to add language to their awarded contract demonstrating this change of name. To accomplish this, contact the appropriate contract administrator.

For all other inquiries relating to the name change from NJPA to Sourcewell, please contact a member of our contract administration or membership teams. The general phone number is (888) 894-1930.
