# Table of Contents

**Getting Started** ................................................................. 1
  Introduction ............................................................................. 2
  Toolkit Overview ....................................................................... 3
  Characteristics of a Data-Rich Culture ............................... 5
  Section Resources ................................................................. 6

**Section One: Building a Culture for the Effective Use of Educational Data** ............ 7
  Direct Teach ........................................................................... 8
  Section Resources ................................................................. 14
  Checking for Understanding Worksheet .............................. 15
  Application Worksheet ........................................................... 16
  Facilitator’s Guide ................................................................. 17
  Facilitator’s Checklist ........................................................... 23
  Self-Directed Learner’s Guide ............................................. 26
  Self-Directed Learner’s Checklist ..................................... 30

**Section Two: Establishing Professional Learning Communities** ............................... 31
  Direct Teach ........................................................................... 32
  Section Resources ................................................................. 40
  Checking for Understanding Worksheet .............................. 41
  Application Worksheet ........................................................... 42
  Facilitator’s Guide ................................................................. 44
  Facilitator’s Checklist ........................................................... 50
  Self-Directed Learner’s Guide ............................................. 52
  Self-Directed Learner’s Checklist ..................................... 56

**Section Three: Evidence-Based Practices Supporting the Use of Educational Data** ...... 57
  Direct Teach ........................................................................... 58
  Section Resources ................................................................. 65
  Checking for Understanding Worksheet .............................. 66
  Application Worksheet ........................................................... 67
  Facilitator’s Guide ................................................................. 68
  Facilitator’s Checklist ........................................................... 73
  Self-Directed Learner’s Guide ............................................. 78
  Self-Directed Learner’s Checklist ..................................... 82

**Section Four: Analyzing Data** ......................................................... 85
  Direct Teach ........................................................................... 86
  Section Resources ................................................................. 98
  Checking for Understanding Worksheet .............................. 99
  Application Worksheet ........................................................... 100
  Facilitator’s Guide ................................................................. 101
  Facilitator’s Checklist ........................................................... 107
  Self-Directed Learner’s Guide ............................................. 112
  Self-Directed Learner’s Checklist ..................................... 117

**Section Five: Technologies Enabling the Use of Educational Data** .......................... 120
  Direct Teach ........................................................................... 121
  Section Resources ................................................................. 131
  Checking for Understanding Worksheet .............................. 132
  Application Worksheet ........................................................... 133
  Facilitator’s Guide ................................................................. 134
  Facilitator’s Checklist ........................................................... 139
  Self-Directed Learner’s Guide ............................................. 142
  Self-Directed Learner’s Checklist ..................................... 146
