Marana Unified School District

The Marana Unified School District is located in beautiful Northwest Tucson, Arizona. The District is an integral part of the community and takes pride in knowing it’s one of the reasons families choose to live in the area. In Marana, students are challenged, relationships are built, and teaching is focused on individual student achievement. The Marana Unified School District has more than 12,500 students and 1,800 employees. We have eleven elementary schools, one intermediate school, two middle schools, three high schools and one alternative school.

**Position overview:**

The Chief Officer of Information and Instruction Technology provides leadership and management in assigned school district operations, which include the planning, procurement, implementation, operation, support, and maintenance of informational and instructional technology systems that support and enhance education and business operations as well as improve cost effectiveness and efficiency. The Chief Officer of Information and Instruction Technology will combine knowledge and experience in education, technology and leadership to develop a high-performing IIT organization that supports and promotes the district’s educational objectives and initiatives.

**Salary:**

$87,222 - $104,903

**Closing date:**

February 22, 2016, 4:00 pm MST
