Director of Transportation

The School District of Palm Beach County

The School District of Palm Beach County is the eleventh largest in the nation and the fifth largest in the state of Florida with 186 schools, serving more than 183,000 students who speak 150 languages and dialects. As the largest employer in Palm Beach County, the School District has nearly 21,000 employees, including nearly 13,000 teachers.

Key Functions:

- Plans, organizes, directs and controls the functions of the District Transportation Department.
- Responsible for all transported pupils reaching their safe destinations as determined by the program needs of the District.
- Organizes and directs a vehicle maintenance program for all District owned vehicles.
- Prepares the annual transportation budget and other required reports.
- Administers the activities of the Transportation Department in accordance with all relevant Statutes, State Rules, School Board Policies and Administrative Directives.

The right candidate must satisfy eligibility requirements, including background check as mandated by Florida State laws; must possess Master’s degree in Business Administration, Transportation or related field or Bachelor’s Degree with successful administrative experience in a major transportation program.
