Assistant Superintendent, 
Chief Accountability Officer

The Kent School District is currently seeking candidates for the position of Assistant Superintendent, Chief Accountability Officer. Screening for this position will begin on March 9, 2016, with interviews scheduled soon thereafter.

The Kent School District (KSD) is the fifth largest school district in Washington State and is centrally located in the Seattle Metropolitan area. KSD covers 72 square miles, and is the most culturally diverse district in Washington with approximately 28,000 students, over 137 languages spoken. KSD is the only school district in the nation to be selected as an International Best Practice Site for Microsoft for its state-of-the-art, technology-rich classrooms. The KSD Board of Directors received the Board of Distinction Award by the Washington State School Directors’ Association for 5 consecutive years.

Under the direction of the Superintendent, the Assistant Superintendent/Chief Accountability Officer plans, organizes, manages, and directs the formulation of system-wide strategies for creating, evaluating, and administering performance systems in the Kent School District. This senior executive-level staff position directs the execution of these initiatives and priorities while leveraging more efficient and effective processes, organizational design, and information technologies to support these strategies. The role requires strategic vision, and understanding of technology, excellent communication skills and the ability to direct these strategies through to execution. The position oversees the alignment of operational plans and leverages data, research technology, and partnerships to drive a performance culture that fosters transparency and efficient support services that are designed to meet the educational needs of all students.

Annual Compensation for this position, $175,404 plus a comprehensive benefits package.
